

## **Agenda Item VII, Implementation Discussion of Classification of Instructional Programs 2000 Edition**

1. Crosswalk is attached. This was produced by State Council of Higher Education for Virginia (SCHEV)
2. Implementation schedule for IPEDS
  - Voluntary

For Fall 2004 Completions – 2003 – 2004 school year completions

- Mandatory

For Fall 2005 Completions  
And Fall 2004 Enrollments by program

3. In the change process, no old number exists as a new number. Here are the recaps presented by NCES
  - One 2 digit program area in Agriculture (combined Agricultural Business and Production with Agricultural Sciences – the 01 and 02 series)
  - One Family and Consumer Science 2-digit program area that was formed from Collegiate Family and Consumer Science/Home Economics (Series 19) and Vocational Family and Consumer Science/Vocational Home Economics (Series 20)
  - Sales and Marketing Operations/Marketing and Distribution (Series 08) was incorporated into Business Management and Administrative Services (Series 52)
  - History was separated from Social Sciences (series 45) and made into a new 2-digit program area (series 54)
  - There are over 1400 6-digit programs
  - 400 6-digit programs were added
  - **In several 2-digit program areas a 6-digit program ending in 0000 was added.**
4. Recommendations
  - New program codes are assigned by Academic Affairs, as programs are added.
  - The changing process from old code to new code will take place during Summer, 2003. CHE will reassign numbers based on the crosswalk for all institutions.
  - Any data that is reported to IPEDS will be converted to the old numbers by the CHE

## **Agenda Item IX, Discussion on Reporting of Double Majors for Completions**

1. Report to IPEDS, the “Second Major” by CIP Code, Award Level, Race, and Gender
2. Can we calculate from Current Data? If not, can we add data fields?

## **Agenda Item X, State Scholarship Programs**

1. Updated File Layouts will be given out
2. Discussion of Scholarship Processing Changes
